Cazals Manzo Pichot Saint Quentin advises the founder and CEO of iM Global Partner on this strategic investment by the acquisition of a non-controlling minority stake in London-based investment boutique: Trinity Street Asset management LLP ('Trinity Street').

Trinity Street Asset Management is an investment management firm based in London and founded in 2002. It manages concentrated long-only equity portfolios through Global and International strategies.

Philippe Couvrecelle, Founder and CEO of iM Global Partner said: *'For a few years now we have been actively looking for a Europe-based company to complement our network of nine high-quality investment firms. I am delighted to welcome Trinity Street Asset Management on board as our 10th Partner. Their approach fits in very well with our philosophy, and their products are highly complementary to those of our existing Partners. Trinity Street's performance has been impressive, and this partnership will allow us to further expand our product offering internationally.'*

Cazals Manzo Pichot Saint Quentin est un cabinet d'avocats d'affaires dédié au droit fiscal. Ses six associés et leurs collaborateurs accompagnent sur tous les aspects fiscaux une clientèle d'entreprises, d'investisseurs et de particuliers, tant pour leurs opérations françaises qu'internationales.
